## NOTE TO GERMANY IS MADE PUBLIC

# DEMANDS REPARATION FOR AMERICAN LOSSES:

WILL BE RESPECTED

#### REMINDS GERMANY OF WARNING GIVEN

U. S. Will Leave Nothing Undone to Protest Lives and Property of Americans.

Washington, May 13.-The United Washington, May 13.—The United States government today cabled to Ambassador Gerard for presentation to the German government a note calling attention "to the grave situation which has resulted" from the violation of American rights on the high seas culminating in the sinking high seas, culminating in the sinking of the Lusitania with a loss of more than a hundred American lives. The communication expresses the confident expectation of the United States "that the imperial German government will disa ow the acts of which the government of the United States complains; that they will make reparation so far as reparation is possible for the injuries which are without measure; that they will take immediate steps to prevent a recurrence of anything to obviously suffice of the principles of warfare for which the imperial German government, in the past has so wisely and firmly contended "In conclusion the note states "the imperial German government won't expect the Sovernment dent expectation of the United States ernment won't expect the Colorman govor the United State to omit any word or act necessary to the performance of the sacred duty of maintaining the rights of the United States and its citizens, and the safeguarding of their free exercise and enjoyment."

The publication by the German embassy of an advertisement, warning Americans, cannot be accepted as an excuse, palliation or abatement of responsibility for an act destruction. The United States cannot believe the commanders of the vessels which committed these acts of lawlessness did so except under a misapprehension of the orders issued by the imperial German naval authorby the imperial German naval authorities. It assumes that submarine commanders are expected to do nothing that would involve the lives of non-combatants. It expects, therefore, that Germany will disavow the acts of which the United States complains.. It says the government and

### MAY HAVE INSURANCE **COMMISSIONER IN GA**

Legislature Will Also Consider Woman Suffrage and Compulsory Education.

Atlanta, May 13.-Prohibition, com pulsory education, woman suffrage, a new auto law, and the establishmen of an insurance commissioner's office independent of that of the comptroller general, are some of the serious matters that will receive consideration at the hands of the incoming leg-is sture which meets June 22.

The last mentioned problem, that of a separate insurance commission, is receiving the attention of the insur-ance interests in all parts of the state, and will be strongly advocated. The idea is to strengthen and amend the present excellent Georgia insurance laws by separating the office of com-missioner from that of comptroller general and providing that the insur-

ance commissioner's office shall be filled by a practical insurance man. This would mean that creation of a new statehouse office, but would not pense to the state. The plan is to leave the comptroller general's office just as at present constituted in all points except that of the insurance commissioner's work. necessarily make any increase in ex-
